The School

Technology High School is located in Rohnert Park, California and is part of the Cotati-Rohnert Park Unified School District. THS is a college preparatory high school of choice focused on science, technology, engineering and math. With approximately 340 students, THS serves a broad cross-section of students in grades 9-12 who have an interest in attending an innovative, small, project-based learning program. The school holds the following distinctions: a California Distinguished School in every year of eligibility, one of the best high schools in America by the U.S. News and World Report, a Magna Award winner by the American School Board Journal, a National Blue Ribbon School awarded in 2021, and accreditation by the Western Association of Schools and Colleges.

GRADING

The purpose of grading is to communicate the level of achievement in the educational program to students, parents and teachers. Transcripts are electronically generated using the 0.00 - 4.0 G.P.A. Grades for achievement shall be reported each marking period as follows:

A	Outstanding Achievement	4.0 points
B	Above Average Achievement	3.0 points
C	Average Achievement	2.0 points
D	Below Average Achievement	1.0 points
F	Little or No Achievement	0.0 points
I	Incomplete	0.0 points

Honors Grading (A.P. / College Courses):
A = 5.0   B = 4.0   C = 3.0   D = 1.0   F = 0.0

COLLEGE COURSES

Many of our students take college courses at Santa Rosa Junior College and other local colleges beginning in 9th grade. Students must take their required Science/Engineering block at Technology High School. College courses follow the Honors / AP grading system.
